## **SAVE THE DATE! IMPORTANT SCHEDULING INFORMATION FOR YOUR CHILD!**

On August 7th, 8th & 9th we will be offering the "Great Start to Kindergarten" experience for incoming Kindergarten students. A trained staff member will work with each child one-on-one to measure reading, math and social skills. The testing will take up to 30 minutes and will help us place your child in the kindergarten classroom that is best suited for him/her. Further information will be sent to Kindergarten parents regarding sign-up of the assessments.

On September 5th and 6th, all students in grades 1-5 will meet with their 2017-18 teacher individually for approximately 30 minutes for literacy assessments. The assessment results will give teachers the data they need to target instruction for students from the first day of the school year. You will receive communication in mid- August that will include information on how to sign-up for an assessment.

**The first official day of classes for students in grades K- 5 is September 7th.**
