School Board to review third K-5 boundary recommendation on May 6

Based on feedback and questions about the recommendations from School Board members and the public, the K-5 Attendance Boundary Input Team met April 30 to review an option that had been previously discussed by the group.

As a result of the meeting, the Input Team is recommending the School Board also consider Option C4, in addition to options B1 and C1 which were presented to the Board on April 22. The School Board will now review all three options at its May 6th study session. The presentation can be viewed [here](#).

The study session will be held at 5:30 p.m. at the District Services Center, 4540 Tower Street SE, Prior Lake. There will be an opportunity for public comment at the end of the meeting, prior to the Board's regular meeting beginning at 7 p.m.

The Board is expected to take action on new elementary attendance boundaries for the 2020-21 school year at its June 10 meeting.

Additional elementary attendance boundary process meeting materials can be found on our website.
