## See our new spaces

A lot has been happening throughout the district as construction projects wrap up and new spaces come online. Take a tour by viewing our latest video.

---

## Infinite Campus has a new look

Infinite Campus has a new look and feel. When parents and students login to the web version of Infinite Campus from a computer, the new version will mirror what parents see on the mobile app. This update provides a more consistent look and feel for easy navigation.

As a reminder, Infinite Campus is the district's student information system that houses bus stop schedules, official grades, class schedules for grades 6-12, attendance, contact information and health information.

### **National Business Honor Society Induction**

Twenty-eight Junior and Senior Business students at Prior Lake High School were inducted into the PLHS Chapter of the National Business Honor Society on November 12. Executive officers Joe Gehlen, Jennifer Lein, Sydney Guida, and Blake Haferman led the ceremony. Assistant Principal Joe Kuboushek welcomed everyone while Dannon Hulskotter, VP of Marketing and Fan Engagement for the Minnesota Vikings, was the featured speaker.

National Business Education Association, the professional organization for secondary teachers and business education professors, developed the National Business Honor Society as a way to recognize and honor dynamic students' academic achievement in high school business classes. Membership is based on academic achievement in business classes and overall character, leadership and service.

*The following students (from left to right) were recognized:*
