

# STUDENT USE OF INFORMATION TECHNOLOGY

Policy 524 contains information regarding Student Use of Information Technology. Students are able to access the Internet from every classroom. Students are expected to follow guidelines for acceptable use of the Internet and Student Code of Ethics Using Social Media.

Should parents (or students age 18 or older) **NOT** want the following technologies to be used, please schedule an appointment with the MARSS Coordinator at the District Service Center and you will be asked to complete a form. **This form must be completed annually by October 1<sup>st</sup>.**

During the school day, for educational purposes, students have access to:

- Internet
- Google Apps for Educations
- Chromebooks
- iPad or school-issued tablet

If you wish to discuss your students access to technology and complete a form limiting/denying your students technology access you can contact Richelle Lambert at:

Phone: 952-226-0043 or Email [rlambert@priorlake-savage.k12.mn.us](mailto:rlambert@priorlake-savage.k12.mn.us)

The District Services Center is open Monday – Friday from 8 am – 4 pm
