

SUPPORT GROUPS

Small groups of students with similar needs are able to meet on a weekly basis with guidance staff to improve on these needs. Parent permission is required for students to participate but students input during these services are confidential within the limits provided by the state of MN. If you feel your child could benefit from one of these groups, please contact your grade level counselor and we would be happy to meet with your child to invite him/her to participate.

Journeys:

For students who want to feel better about themselves, make personal changes and/or improve their relationships with others

Turning Points:

For students experiencing changes and challenges due to separation, divorce, or remarriage in their families

Transitions:

For new students to the Prior Lake-Savage School District who want to connect with other new students to learn more about school activities. (We meet the first four weeks of school only)

Grief Group:

For students who have experienced a loss of a parent or family member. This group is co-facilitated by Growing Through Grief, a community agency

Insight/Life Guides:

To provide more information and support to students who may be at risk for tobacco, alcohol or other drug abuse and/or affected by someone else's abuse of chemicals.
