**408 SUBPOENA OF A SCHOOL DISTRICT EMPLOYEE****I. PURPOSE**

**II. GENERAL STATEMENT OF POLICY**

This policy is to provide guidance and direction for school district employees who may be subpoenaed to testify and/or provide educational records for a judicial or administrative proceeding.

**DATA CLASSIFICATION****A. Educational Data****1. State Law**

The Minnesota Government Data Practices Act (MGDPA) Minnesota Statutes Chapter 13, classifies all educational data, except for directory information as designated by the school district, as private data on individuals. The state statute provides that private data on individuals may not be released, except pursuant to a valid court order or informed consent by the subject of the data or a parent/legal guardian if the subject of the data is a minor.

**2. Federal Law**

The Family Educational Rights and Privacy Act (FERPA) 20 United States Code section U.S.C. § 1232g, provides that educational data may not be released, except pursuant to informed consent by the individual subject of the data or any lawfully issued subpoena. Regulations promulgated under the federal law require that the school district must first make a reasonable effort to notify the parent/legal guardian of the student, or the student if the student is 18 years of age or older, of the subpoena in advance of releasing the information pursuant to the subpoena.

**B. Personnel Data**

The MGDPA also classifies all personnel data, except for certain data specifically classified as public, as private data on individuals. The state statute provides that private data on individuals may not be released, except pursuant to a valid court order or informed consent by the subject of the data.

**APPLICATION AND PROCEDURES**

The building administrator or designated supervisor shall immediately inform the Executive Director of Administrative Services that the employee has received a subpoena.

- B. No employee may release educational data, personnel data, or any other data of any kind without consultation in advance with the school district official who is designated as the authority responsible for the collection, use and dissemination of data.
