

SCHOOL BOARD POLICY 514.1 CHEMICAL USE & ABUSE (STUDENT) PROCEDURES

The following procedures are an extension and interpretation of ISD 719 School Board Policy 514.1.

Students participating in extracurricular and cocurricular activities are held to high standards and will demonstrate respectful and responsible behavior at all times. Prior Lake-Savage Area School District consequences for rule violation are greater than the Minnesota State High School League and therefore take precedence.

Penalties will be assessed for rule violation in extracurricular, cocurricular, and interscholastic activities. Students shall not possess, purchase, sell, distribute, or be under the influence of alcohol, tobacco, or any other illicit drug including look-alike drugs and drug paraphernalia. STUDENTS SHALL NOT BE INVOLVED IN ANY ILLEGAL BEHAVIOR (chargeable offense whether charged or not which may be a violation of civil or criminal law), GROSS MISCONDUCT (insubordination, threats, and/or persistent or flagrant violation of school policy), OR RACIAL/RELIGIOUS/SEXUAL HARASSMENT/VIOLENCE/AND/OR HAZING.

Minnesota State High School League guidelines state that students participating in an interscholastic activity must serve a penalty for any rule violation. Students participating in enrichment AND interscholastic activities will serve a penalty in the enrichment AND the interscholastic activity for any rule violation. At the end of one calendar year from the date of rule violation notification, the enrichment activity penalty will expire. There is no "sunset" clause for serving a penalty in interscholastic activities.

Middle school students participating in Minnesota State High School League (MSHSL) sanctioned activities will be subject to the conditions of these regulations. Violations by middle school students in activities not sanctioned by the MSHSL will be addressed at the building level where a student improvement plan will be devised under the direction of the building principal and appropriate school personnel.

A team/activity, in conjunction with the coach/advisor, may increase the severity of a penalty or suspend a student for the season. The coach/advisor shall clearly communicate any additional consequences to parents and students prior to the season. Any additional consequences will be in place until the last game is played or the team banquet is held which ever takes place later.

Penalties are cumulative for violations in the chemical abuse category and the harassment, violence, and hazing category.

The District 719 Extracurricular & Co-curricular Behavior Regulations are enforced during the entire calendar year and throughout the student's career in the Prior Lake-Savage Area School system. In addition to the regulations:
