

INDEPENDENT SCHOOL DISTRICT 719
PRIOR LAKE - SAVAGE AREA SCHOOLS**810 HEALTH AND SAFETY POLICY****I. PURPOSE**

The purpose of this policy is to assist the school district in promoting health and safety, reducing injuries, and complying with federal, state, and local health and safety laws and regulations.

II. DEFINITIONS**III. GENERAL STATEMENT OF POLICY**

The objective of the health and safety program will be:

- to provide a safe and healthy learning environment;
- to increase safety awareness;
- to help prevent accidents, illnesses, and injuries;
- to reduce liability;
- to assign duties and responsibilities to school district staff to implement and maintain the health and safety program;
- to establish written procedures for the identification and management of hazards or potential hazards;
- to train school district staff on safe work practices; and
- to comply with all health and safety, environmental, and occupational health laws, rules, and regulations.

The school district will form a health and safety advisory or Health and Safety committee to be appointed by the superintendent. The committee will provide recommendations to the administration regarding plans and procedures to implement this policy and to establish procedures for identifying, analyzing, and controlling hazards, minimizing risks, and training school district staff on safe work practices. The committee will also recommend procedures for investigating accidents and enforcement of workplace safety rules.

Procedures

- A. Based upon recommendations from the committee, the administration will adopt and implement written plans and procedures for identification and management of the health and safety program within the school district in accordance with federal, state, and local laws, rules, and regulations.
