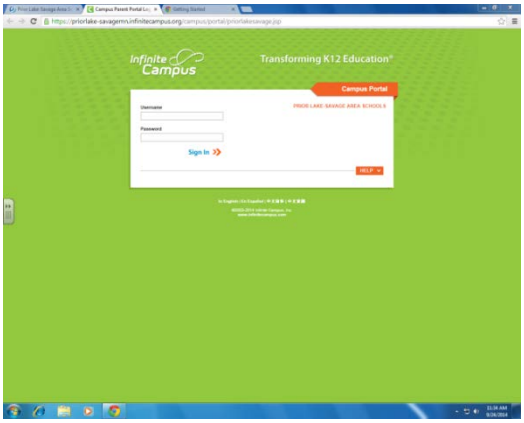
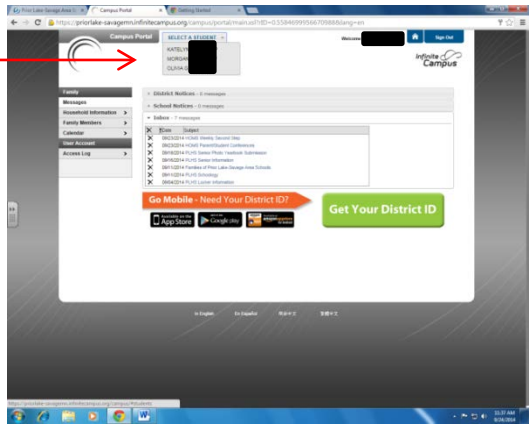
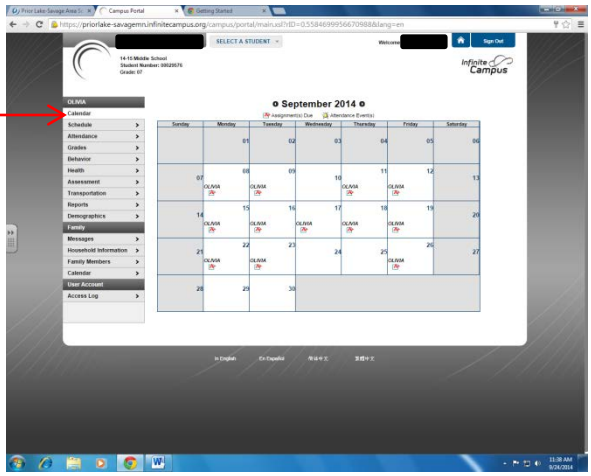
Parent Instructions for Infinite Campus (ISD #719)



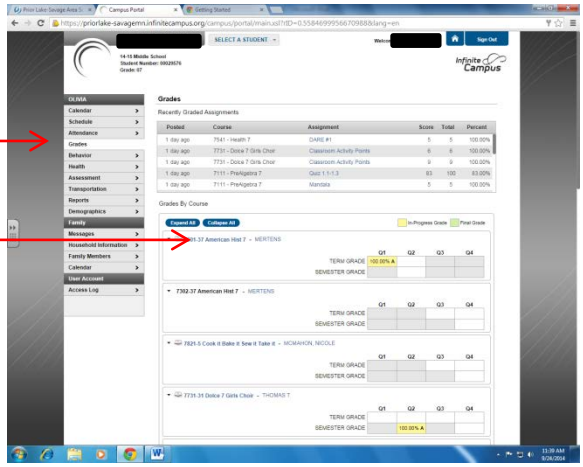
www.priorlake-savage.k12.mn.us Click the parent tab at the top, then the Infinite Campus button on the right side of the webpage. Login with your parent username and password.



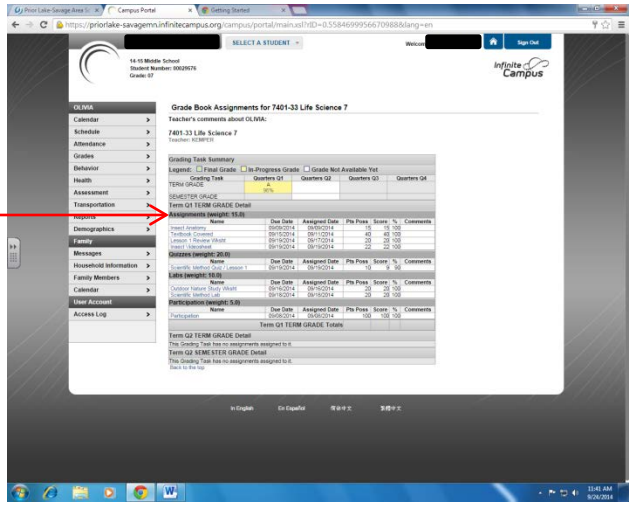
The first screen will show various messages from your child's school/district. A drop down menu is located at the top to access information on each of your children.



The calendar will display due dates for your child.

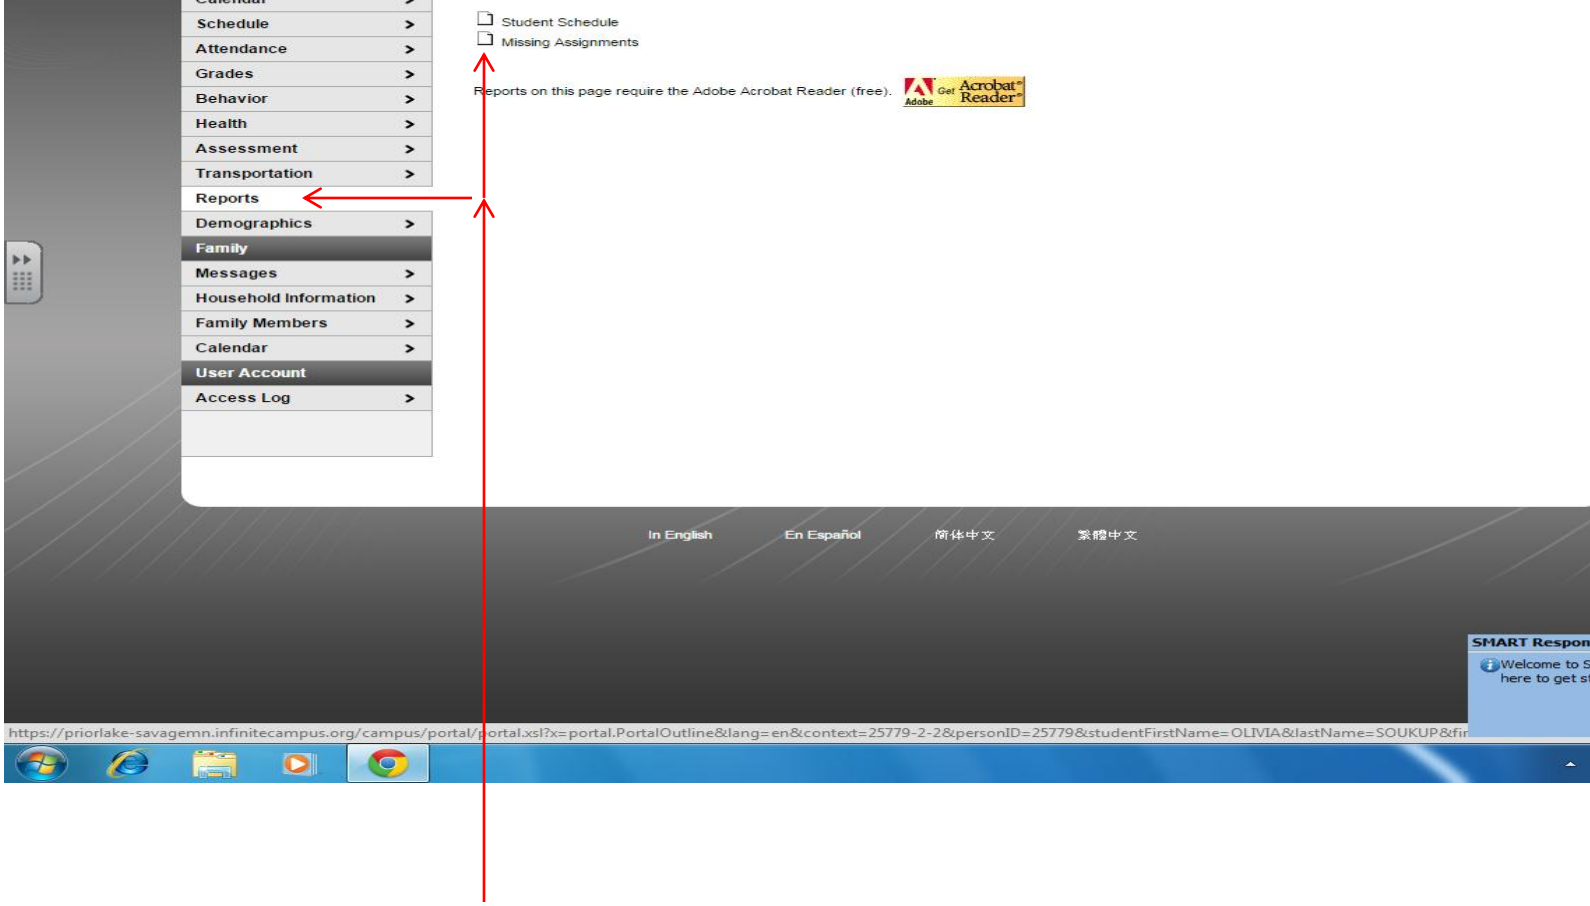


Click on "Grades" from the menu on the left. You will see a list of recently graded assignments. Your child's In Progress Grade, or grade-to-date, is listed in in the corresponding boxes below. Notice the shaded color indicates if the grade is "final" or "in progress". For more detailed information, click on the course name.



Here is a view of information you will see when you open the grade book for one course. NOTE: Some courses do assign a "weight" value to categories as seen in the example above. (ex. Assignments 15%, Quizzes 20%, etc.) If no weight value appears, points in all categories are equal.

We recommend you check Infinite Campus, with your child, weekly. If you have questions, encourage your child to communicate with his/her teachers or contact them directly. As always, feel free to contact your child's Guidance Counselor for assistance.



To open a report of missing assignments for your child, click on “reports” from the menu on the left and then select the report titled “Missing Assignments” from the reports listed.

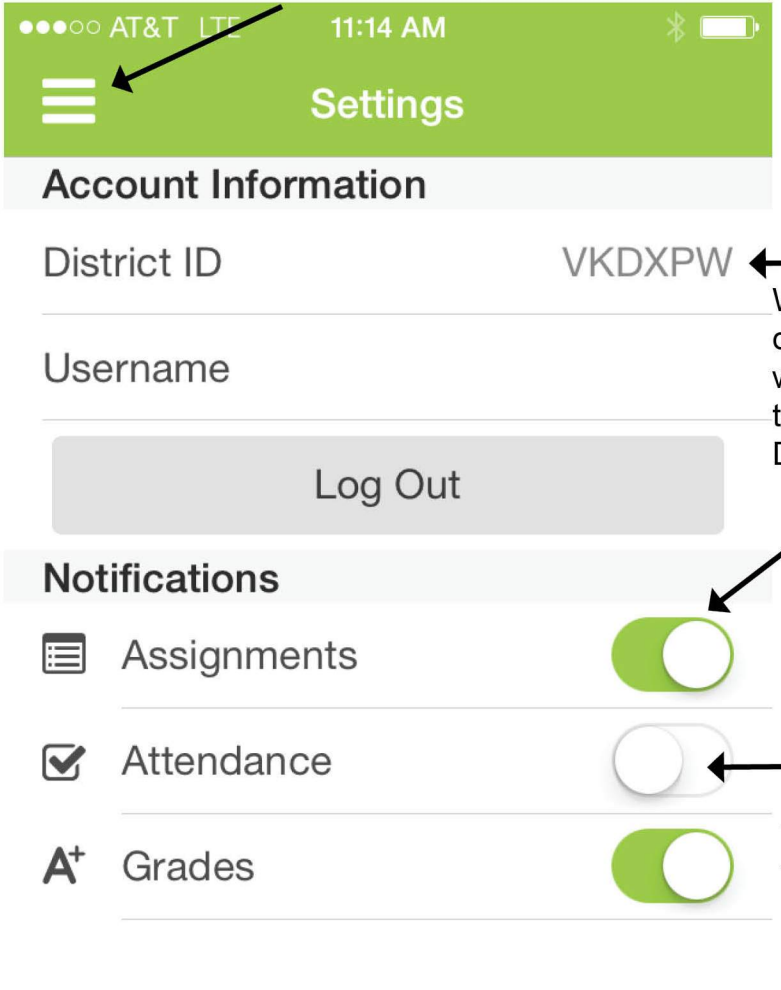
Infinite Campus App

Download the Infinite Campus app for mobile access to your student's information.

Available on the App Store | GET IT ON Google play | Available at amazon appstore for Android

Once downloaded, you can adjust your settings to receive notifications.

Click for Planner (daily schedule), Grades, Assignments and Attendance



When downloading, you will be prompted to enter the District ID

Turn on to receive mobile notifications

Leave off if you do not wish to receive notifications
